Message from Algebra International Summer School!

We are happy to announce Early Bird applications for Algebra International Summer School by Algebra Bernays University from 30 June to 25 July in Croatia!

It's a fantastic opportunity for students to enroll in a summer program, gain new skills and enrich their study experience.

Early Bird application deadline is 28 February 2025!

Full tuition is 1900 euro. Students catching the Early Bird can enroll for 1615 euro to the 4-week program.

More information & applications can be found on the website:
